WORK HISTORY

Business and Technology Teacher

Keswick Christian School | June 2019 - present

-From understanding the fundamentals of HTML and CSS to intentionally communicating on a personal level with people, I apply my gifts to prepare our students for the continual advancements of technology within the world of business.

Business Owner, Head Coach

4.1 Sports Performance | Apr 2016 - May 2019

Created an encouraging environment for self discovery through fitness and sports performance training. Developed and implemented periodized training programs for athletes aged 9-18 to accomplish their athletic goals such as developing vertical, speed, endurance and explosive power.
